I. Introduction

The Government of Karnataka under the Universities of Agricultural Sciences Act, 2009 and as amended in 2012, has established five Farm Universities in the state with a view to impart quality agricultural education in Karnataka State. Among the Universities, oldest is the University of Agricultural Sciences, Bangalore (UAS, Bangalore) established during 1963 located at Gandhi Krishi Vigyana Kendra (GKVK) campus, Bengaluru. The University of Agricultural Sciences, Dharwad (UAS, Dharwad) was established in 1986 to cater to the education, research and extension requirements of the Northern parts of the Karnataka State. During 2008, the University of Agricultural Sciences, Raichur (UAS, Raichur) was separated out of the University of Agricultural Sciences, Dharwad with its headquarter located at Raichur to cater to the farming needs of the Kalyana Karnataka (Hyderabad Karnataka) (HK) Region of the Karnataka State. The University of Horticultural Sciences, Bagalkot (UHS, Bagalkot), was also established during 2008 with jurisdiction of entire Karnataka to cater the teaching, research and extension needs in horticultural sector. During 2012, the fifth University was established at Shivamogga as Keladi Shivappa Nayaka (KSN UAHS) University of Agricultural and Horticultural Sciences (UAHS, Shivamogga) and this was formed out of UAS, Bangalore and UHS, Bagalkot.

The five Farm Universities, namely, UAS, Bangalore; UAS, Dharwad; UAS, Raichur; UHS, Bagalkot and KSN UAHS, Shivamogga have most of the Master's and Doctoral Degree's disciplines in common. The eligibility for which, generally is a Bachelor's and Master's Degree (respective discipline) from farm science Universities, respectively.

Each University had a separate schedule of admissions to the Post Graduate Degree programmes for Master's Degree till 2014 and for Doctoral Degree till 2016. Thus, admitting candidates for these Post Graduate Degree programmes separately was causing lot of inconvenience to the candidates and Universities. Hence, from the year 2015-16, all the five Farm Universities decided to have a Common Post Graduate (PG) Admission for Master's Degree courses and UAS, Dharwad conducted the process of the admission. Likewise, from the academic year 2016-17, it was decided to include Doctoral Degree programme's also under common admission process.

The process of common admissions 2021-22 leading to Master's and Doctoral Degree programmes in constituent colleges of participating Farm Universities of Karnataka State has been entrusted to UAS, Bangalore. The detailed procedure for conducting Common Admission to the Master's and Doctoral Degree programmes in five Farm Universities of Karnataka State is furnished in this Information Bulletin.

| 4 | University of Horticultural Sciences, Bagalkot | Annexure-IV |
| 5 | Keladi Shivappa Nayaka University of Agriculture and Horticultural Sciences, Shivamogga | Annexure-V |

XV (a) Seat allotment and conversion of vacant seats

Based on the merit and priority of options exercised by the Candidates, the first round of allotment begins. The computer programme will allot the seats and while allotting the seats in the **First Round** at any stage, the seat allotted if any, will automatically get cancelled upon allotment of a seat in the subsequent discipline and such cancelled seat will be considered for allotment of a seat in the next iteration. Therefore, multiple iterations may take place in the **First Round**. The computer programme will stop the allotment only if the last seat is allotted or when it reaches the last rank in each discipline, whichever is earlier. That means the candidates will always be climbing upwards both in options and in roster. The order of allotment will be repeated in the **First Round** until there is no change in the allotment of any candidate.
