## I. Introduction

The Government of Karnataka under the Universities of Agricultural Sciences Act, 2009 and as amended in 2012, has established five Farm Universities in the state with a view to impart quality agricultural and horticultural education in Karnataka State. Among the Farm Universities, oldest is the University of Agricultural Sciences, Bangalore (UAS, Bangalore) established during 1963 located at Gandhi Krishi Vigyana Kendra (GKVK) campus, Bengaluru. The University of Agricultural Sciences, Dharwad (UAS, Dharwad) was established in 1986 to cater to the education, research and extension requirements of the Northern parts of the Karnataka State. The University of Horticultural Sciences, Bagalkot (UHS, Bagalkot), was established during 2008 to cater the teaching, research and extension needs in horticultural sector. During 2008, the University of Agricultural Sciences, Raichur (UAS, Raichur) was separated out of the University of Agricultural Sciences, Dharwad with its headquarter located at Raichur to cater to the farming needs of the Kalyana Karnataka Region of the Karnataka State. During 2012, the fifth University was established at Shivamogga as Keladi Shivappa Nayaka University of Agricultural and Horticultural Sciences (KSNUAHS, Shivamogga) and this was formed out of UAS, Bangalore and UHS, Bagalkot.

The five Farm Universities, namely, UAS, Raichur; UAS, Bangalore; UAS, Dharwad; UHS, Bagalkot and KSNUAHS, Shivamogga have Master's and Doctoral Degrees in different disciplines. The eligibility for Master's and Doctoral Degree programme is a Bachelor's Degree and Master's degree (respective discipline) from farm science Universities, respectively.

Each University had a separate schedule of admissions to the Post Graduate Degree programmes for Master's Degree till 2014 and for Doctoral Degree till 2016. Thus, admitting candidates for these Post Graduate Degree programmes separately was causing lot of inconvenience to the candidates and Universities. Hence, from the academic year 2015-16, all the five Farm Universities decided to have a Common Post Graduate (PG) Admission for Master's Degree courses and UAS, Dharwad conducted the process of the admission. Likewise, from the academic year 2016-17, it was decided to include Doctoral Degree programme also under common admission process.

The Ministry of Education, Government of India (GOI), has established the National Testing Agency (NTA) as an independent autonomous and self-sustained premier testing organization under Society of Registrations Act, 1860 for conducting efficient, transparent and international standard tests in order to assess the competency of candidates for admissions to premier higher education institutions. To align with National Education Policy (NEP 2020) and reduce the burden on students for appearing in multiple entrance examination for admissions in AUs of ICAR and in Farm Universities of Karnataka, Coordination Committee of Farm Universities of Karnataka took an initiative to utilize the NTA scores for Master's and Ph. D admissions in Farm Universities of Karnataka from the academic year 2023-24.

The process of conducting the common admissions to Master's and Doctoral Degree programmes in constituent colleges of participating Farm Universities of Karnataka State has been entrusted to UAS, Raichur for the year 2023-24. From the academic year 2022-23, it was decided to adopt the system of PG admission by considering the 50 per cent weightage of the NTA-ICAR Score and 50 per cent weightage of qualifying examination marks obtained in the Bachelor's and Master's degree programmes for admission to Master's and Doctoral degree programmes respectively in various subjects of the respective Universities. It is decided to conduct a separate entrance examination for the stand-alone programmes, where NTA-ICAR streams are not matching. The detailed procedure for conducting Common Admission to the Master's and Doctoral Degree programmes in five Farm Universities of Karnataka State is furnished in this Information Bulletin.

4	University of Horticultural Sciences, Bagalkot	Annexure-IV
5	Keladi Shivappa Nayaka University of Agriculture and Horticultural Sciences, Shivamogga	Annexure-V

**(a) Seat allotment and conversion of vacant seats**

Based on the merit and priority of options exercised by the Candidates, the first round of allotment begins. The computer programme will allot the seats and while allotting the seats in the **First Round** at any stage, the seat allotted if any, will automatically get cancelled upon allotment of a seat in the subsequent discipline and such cancelled seat will be considered for allotment of a seat in the next iteration. Therefore, multiple iterations may take place in the **First Round**. The computer programme will stop the allotment only if the last seat is allotted or when it reaches the last rank in each discipline, whichever is earlier. That means the candidates will always be climbing upwards both in options and in roster. The order of allotment will be repeated in the **First Round** until there is no change in the allotment of any candidate.

**(b) Seat allotment in subsequent rounds**

If a reserved category candidate is allotted with a General Merit seat, then a reserved category seat becomes vacant. Such seats are treated as ‘**Consequential Vacancies**’ and these consequential reserved category vacancies that arise during the **Second Round** of allotment will remain under the same categories and will be offered only to the candidates belonging to the same reserved categories. All consequential vacancies which arise in different rounds will be considered for allotment as GM.

**(c) Seat allotment under Kalyana Karnataka (KK)**

If there are no candidates available in reserved categories under **Kalyana Karnataka (KK)**, the seats will be converted to **Kalyana Karnataka General (KKG)** and when there are no candidates in KKG, the seats will be converted to **General Merit (GM Non-KK)**.
